Re: Freedom of Information - Privacy Act Redress-Request

Dear Sir or Madam:

This letter constitutes a good faith request - Redress under the Freedom of Information ["FOIA"] and Privacy Act ["PA"], Title 5 USC § 552 & 552a, the Administrative Procedures Act, 5 USC § 551 et seq.

The undersigned is a federal prisoner, citizen of El Salvador, Central America, arriving in the United States "illegally" in 2000. Current scheduled release date by the Federal Bureau of Prisons [BOP] is 2031, wrongfully imprisoned as "actually innocent" of any crimes as a first time non-violent offender.

Pending before the federal court is a Privileged Writ of Habeas Corpus -- Redress of Grievances, in the pursuit of law and justice.

For some two years of 2005-06 the undersigned was working as an informant for a Special Agent Erick Roberto-Moreno with Fairfax County Virginia Police Manuel Salazar (redacted) as Agent & Witness. **Exhibit A.**

The undersigned Redressor requests any and all information, records, documents, electronics, notes and process related to his informant status, both generally and specifically.

The Redressor herein invokes all Right(s) pursuant to the Acts, without presumed waiver thereof, including timetables and specifically exemptions under 7(B) ("impartial adjudication") and (k)(2) ("right, privilege, or benefit").

The undersigned believes that the information sought would be much less than 100 pages and therefore, he will look forward to acknowledgment within (20) working days and expeditious processing, in good faith and in the interests of law and justice. Title 28 USC § 1746, without prejudice.

Very sincerely yours,

Re: First Amendment Redress of Grievances-Process-Protections-Privileges,
Freedom of Information/Privacy Act Request, Title 5 USC § 552 & 552a,
USA v. Rigoberto Hernandez-Portillo, No. 1:07-cr-81-GBL, Eastern District
of Virginia - Alexandria 22314

Dear Director & Staff:

1. The undersigned is a citizen of El Salvador, Central America, currently being "warehoused" in federal (US) prison at this low security institution, as a first time non-violent offender and as "actually innocent" of this or any crimes in the US or elsewhere, as likewise politically targeted.

2. I seek your assistance with the enclosed FOIA/PA Redress-request as yet to be acknowledged after numerous mailings. **Exhibit A1.**

3. I am preparing a collateral attack to the wrongful conviction/imprisonment by the "Great" Writ of Habeas Corpus (Privilege) and am seeking other information and documents in support thereof, if you could provide or direct me to the source of these specific records - documents.

A. Sources state that as a federal prisoner I (we) am commercially bonded as a "warehouse" receipt on the national debt. **Ex. A2.** Please provide copies of these bonds (e.g., Form 23, Buy; Form 24, Performance; Form 25, Payment, as in sentence to prison). I do not know where they would be located. In the court or judges file(s)? Possibly with the U.S. Treasury as all our expenses are covered out of the Treasury. See Title 18 USC § 4007.

In good faith, I invoke all Right(s) related to this Redress and pursuant to the Act(s), this includes any and all timetables.

I have included a Certification of Identity below, and look forward to hearing from you in regards. Title 28 USC § 1746WoP.
